

**INVITATION OF INTEREST FROM PROSPECTIVE BIDDERS FOR INCLUDING
MINES FOR AUCTION THROUGH COMMERCIAL MINING**

It has been decided with the approval of competent authority in the Ministry of Coal that following mines will not be considered for auctions for commercial mining in subsequent rounds due to lack of interest received in previous rounds of auctions for these mines. The list of the coal mines has been placed at **Annexure-I**.

Interest from prospective bidders is invited in respect of these mines along with any modifications in area, boundary, etc. The interest and suggestion thus received will be examined and mines may then be considered for auction in subsequent rounds under commercial coal mines' auction.

You may submit interest in above mines to Nominated Authority, Ministry of Coal on the following address:
